ARTICLE III

GRIEVANCE PROCEDURE

A. DEFINITION

A "grievance" is a claim by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions affecting an employee or group of employees.

An "aggrieved person" is the person or persons making the claim.

A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. PROCEDURE

1. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One: Principal

An employee with a grievance shall first discuss it with his/her principal, either directly or through the Association's designated representative, with the objective of resolving the matter within twenty (20) school days of its occurrence or when knowledge of the grievance would reasonably be expected. In the event a grievance is not resolved within five (5) school days of oral presentation, the grievance shall be stated in writing and submitted to the principal no later than ten (10) school days from oral presentation. The written notice of

grievance shall include the date(s) of the alleged grievance, a precise explanation of article(s), policy(ies) and/or administrative decision(s) claimed to be violated, misinterpreted and/or misapplied and by whom. The written explanation shall describe the adverse effect, loss or damage and the remedy sought.

4. Level Two: Superintendent of Schools

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered, the grievance may be submitted in writing to the Superintendent within ten (10) school days of the submission of the written grievance to the Principal. The Superintendent shall schedule a hearing within ten (10) school days of receipt of the grievance.

5. Level Three: Board

If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) school days after the grievance was heard by the Superintendent, he/she may within five (5) school days after a decision by the Superintendent or ten (10) school days after the grievance was heard by the Superintendent, whichever is sooner, refer it to the Board. Within ten (10) school days after receiving the written grievance, the Board shall make arrangements for a meeting to hear and consider the grievance. The Board shall render a decision on the matter within twenty (20) school days after receipt of the grievance.

6. Level Four: Arbitration

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, he/she may within twenty (20) school days after the decision by the Board request in writing that the Association submit his/her grievance to arbitration.

Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

The arbitrator so selected shall confer with the Board and the Association and hold hearings promptly and shall issue his/her decision not later than twenty (20) days from the date of the close of hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her.

The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be binding with reference to grievances concerning the alleged misapplication, misinterpretation or violation of the Agreement commencing July 1, 2001. Advisory arbitration shall continue to be the final step for all other grievances of Board policy and administrative decisions.

The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne by the party whom the arbitrator ruled against. If a consent award is agreed to by the parties, costs shall be split. If the complaint is settled, costs shall be split. If the parties disagree as to whom shall pay, the arbitrator shall have authority to assess costs.

Any grievance not answered within the prescribed time limits, at the level of the Superintendent, or the Board of Education, shall be sustained.

C. RIGHTS OF TEACHERS TO REPRESENTATION

No reprisals, restraints, interference, coercion, discrimination, intimidation of any kind shall be taken by the Board of Education by any member of the administration or by any member of the Association against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

D. MISCELLANEOUS

1. If in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The Association may process such a grievance

through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2. Decisions rendered at Levels One, Two, and Three of the grievance procedure which are unsatisfactory to the aggrieved person shall be in writing setting forth the decision and reasons and shall be transmitted promptly to all parties in interest.
3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated representatives, heretofore referred to in this Article.
5. Beyond Level Three (Board) a grievance will not be processed if it applies to the following:
 - a) In the matters which according to law are beyond the scope of Board authority.
 - b) A complaint of a non-tenure teacher which arises by reason of his/her not being reemployed, unless such non-reemployment is violative of the expressed provisions of this Agreement. It is understood that the arbitrator shall not have the power to award reinstatement.
 - c) Pending the final outcome of a grievance, the aggrieved shall continue under the direction of the Board and/or Administration.

ARTICLE IV

7. Such extension or reduction shall be granted by the Board for an additional, reasonable period of time except that the Board may alter the request based upon finding that such extension or reduction substantially interferes with the administration of the school.
8. When a teacher who has been granted a child rearing leave returns to the system, such teacher may be assigned to any position decided upon by the Superintendent so long as such assignment is within the certification of said

teacher. The purpose of such assignment is not to interfere with or disrupt the instructional program of the pupils particularly when the pupils may have commenced their instruction with a teacher who was assigned to the pupils at the start of the school year.

ARTICLE XXXI

REPRESENTATION FEE

(Retroactive to June 20, 1980)

A. PURPOSE OF FEE

If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31), which is covered in whole or in part by this Agreement, said employee will be required to pay representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

B. AMOUNT OF FEE/NOTIFICATION

Prior to the beginning of each membership year, the Association will notify the Board, in writing, of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

C. DEDUCTION AND TRANSMISSION OF FEES

1. Notification

On or about the 15th of September of each year, the Board will submit to the Association a list of all employees in the bargaining unit. On or about January 1 of each year, the Association shall notify the Board of Education as to the names of those employees who are required to pay the representation fee.

2. Payroll Deduction Schedule

The Board will deduct from the salaries of the employees referred to in Section C-1 the full amount of the yearly representation fee in equal installments beginning with the first paycheck in February.

3. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full

amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Mechanics

Except as otherwise provided in this Article, the mechanics for the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the transmission of regular membership dues to the Association.

5. Changes

The Association will notify the Board in writing of any changes in the list provided for in Paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

6. New Employees

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association, a list of all employees who began their employment in a bargaining unit position during the preceding 30-day period. The list will include names, social security numbers, job titles, dates of employment and places of assignment for all such employees. The Board will also notify the Association of any change in the status of an employee regarding transfer, leave of absence, return from leave, retirement, resignation, separation from employment, or death.

D. INDEMNIFICATION AND SAVE HARMLESS PROVISION

1. Liability

The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article, provided that:

- a) the Board gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph; and

- b) if the Association so requests in writing, the Board will surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability, and will cooperate fully with the Association in
- c) gathering evidence, securing witnesses, and in all other aspects of said defense.

2. Exception

It is expressly understood that Paragraph 1 above will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's imperfect execution of the obligations imposed upon it by this Article.

E. MEMBERSHIP AVAILABILITY AND DEMAND AND RETURN SYSTEM

Membership in the Association is available to all employees on an equal basis and the Association shall establish and maintain a demand and return system which complies with the requirement in Section 2(c) and 3 of the Act.
